The (NAME OF GOVERNING BODY) passed the attached resolution concerning usage of forms for the (NAME OF GOVERNMENTAL UNIT).

The (NAME OF GOVERNING BODY) is ultimately responsible for all forms and systems to be used. Accordingly, we are requesting to be authorized to use the forms and systems provided (1) for (NAME OF LIBRARY WHICH FIRST RECEIVED AN APPROVAL) as these forms were approved by our Office in writing as of (DATE OF ORIGINAL APPROVAL). We will abide by the form approval requirements as stated in the "Accounting and Compliance Guidelines for Libraries" and during audits by the State Board of Accounts.

The **(NAME OF GOVERNING BODY)** will notify you in writing if desiring to discontinue use of the system approved. Any forms that are not in an all inclusive approved package would still need to be approved by your Office. Furthermore, if we desire to use any forms which have changed since the date of original approval above, and those forms have not received a written approval from your Office, we will immediately submit those forms for approval.

We also understand the process of a letter and resolution are not an attempt to provide preferential treatment to any vendor but instead are an effort to expedite the form approval process required by statute and regulation. Finally, we are aware that any system or hardware changes initiated by a vendor and the resultant costs, are vendor, market or consumer demand driven.

(CHIEF EXECUTIVE OFFICER)	(DATE)

(1) The first Library approved would have a period after the word "provided" and the rest of the sentence would be deleted. All other Libraries requesting use of that system should show the information stated after the word "provided."
